EXPERIENCE

10k Athletics, Denver, Colorado, Dec 2022 - Present
Founder & Product Lead

- Led end-to-end product development of a sports-tech platform, owning discovery, MVP definition, roadmap execution, and beta launch
- Conducted interviews with athletes and coaches to identify core pain points and translate insights into product requirements and feature priorities
- Owned roadmap planning and feature scoping, balancing user needs, technical constraints, and business goals
- Coordinated with designers, junior developers, and external partners to ship seven core product features supporting onboarding, evaluations, and training workflows
- Secured $45K in funding and allocated budget across UI/UX design, engineering support, and early go-to-market efforts
- Launched beta with 50+ test users, collecting structured feedback to inform iteration and future roadmap decisions.

Kent Denver School, Denver, Colorado Feb 2025-Present
Head/Assistant Soccer Coach

- Support the development of student-athletes across multiple program levels, including Varsity Girls (Spring 2025) and C Team Boys (Fall 2025); lead the JV Girls team as Head Coach in Spring 2026.
- Provide individualized feedback and mentorship to help players reach their full potential.
- Design and adapt training plans based on player performance data, with a focus on technical development, tactical understanding, and a positive team culture

WSi Healthcare Personnel, Denver, Colorado, Dec 2024-Jan 2025
Marketing Intern

- Executed social media strategy, creating 40+ targeted posts to increase engagement and brand visibility
- Conducted market research to support recruiting initiatives and optimize outreach efforts

The Farm FC, Denver, Colorado, Dec 2023-Dec 2024
Website Manager & Systems Lead

- Designed and developed the organization's website with a focus on usability, branding, and conversion
- Built backend systems to support CRM workflows and improve customer data organization
- Developed internal tools for order tracking and operational visibility, enhancing efficiency for stakeholders

SIQ Soccer Academy, Denver, Colorado, May 2019-Dec 2022
Website Manager & Coach

- Redesigned and managed the academy's website, improving user experience and aligning with brand identity.
- Collaborated with an SEO firm to optimize website content and structure, leading to improved search rankings and increased organic traffic.
- Contributed to integrating digital marketing strategies to support the academy's growth and engagement initiatives.
